

## CAPABILITY STATEMENT

At Ease Rentals Corporation (AE or At Ease) is customizing how federal travelers (civilian & military) book temporary lodging arrangements during relocation moves (PCS), temporary duty (TDY), and leisure travel. Our booking platform distinctively addresses the need of our travelers with never experienced features including ease-of-use, reimbursement-transparency, and reliability. While diversifying accommodation providers a place for their listings to be featured on an all exclusive distribution channel. Accommodation property management companies and owners who want to offer their homes to American soldiers, federal civilians, retirees, and veterans now can do so by listing with At Ease. Hosting our heroes! To this end our unique platform hosts hotels, short, mid, and long- term rentals (1 to 270 days).

### MISSION

Reduce the stress of temporary lodging for federal employees with PCS or TDY assignments by simplifying processes and providing federally compliant accommodation solutions.

With AE you can be confident in our team's ability to take care of our travelers and their families. We speak their language as it's ingrained in our DNA. We aim to hire government employee spouses (civilian and military), retirees & veterans and people who we know that will provide the priceless first hand understanding of our customers' and their experiences.
