Capability Statement

MedTrans Go is a tech-enabled brokerage company that solves the problem of medical appointment cancellations in the US. We provide healthcare facilities access to medical transportation, interpretation, telemedicine, and Rx delivery services in one easy-to-use, integrated digital platform. Our one-stop shop web and mobile portals make patient care coordination simpler than ever and save healthcare facilities time and money.

We ensure superior patient care by only working with qualified and certified service providers. Our Transportation Provider Partners are required to meet a 10-point certification that ensures we have the highest quality of providers in our network. We require our Interpretation Provider Partners to maintain all relevant medical language certifications.
